To Whom It May Concern:

We regret to inform you that Mr. Stephen Marley will have to cancel his August 2008 European Tour due to a knee injury.

He is under doctor's orders to rest his knee and the doctor is recommending knee surgery.

He is expecting to be back out touring in Europe sometime in the near future.

Thank you for your understanding in this matter.

Sincerely

Ms. Stella McLaughlan
From the office of Mr. Stephen Marley
